Dear Christian,

Please accept our most sincere thanks for helping us celebrate our 90th anniversary last week. The kids and staff are still talking about you and your excellent act.

I hope you saw the news that night because you were shown on Télévision Quatre Saisons. We have it on tape at our office- if you are ever interested in seeing it.

Christian, I am waiting to get the photographs back from the Hospital photographer and then I will send you some to add to your portfolio.

You are a true professional and everyone who saw the show marvelled at your talent and skills in both performing and entertaining.

Thank you so very much for your support of our Hospital.

Sincerely,

Shelley Paris
